Creative Community Fellows: New England Program Experience

**Program Experience**

**Creative Community Fellows:**

- **New England**
- **Online Learning Modules**
- **Creative Community House**
- **Creating and Reviewing Your Project Portfolio**
- **Launchpad**

**February**

**Create Good**

- The two frameworks presented in this module will support you in communicating the connection between what you do and the change you seek to create in the world.

**Create Connection**

- Our communities must be central to all that we do. This month we focus on partnerships, examining biases and deepening connections with your community.

**Create the Plan**

- This month’s module will supply you with two tools which will help in decision-making going forward. You’ll clarify your roadmap and gain a new perspective on what could affect your plan.

**March**

- Each learning module takes about 3-5 hours of work per month.

**April**

- Spend five days in a breathtaking location in New England, the perfect inspirational setting, ideal for concentration, creativity and collaboration.

**June - August**

- One on one sessions with team members and small group sessions to prepare your project portfolio.

**September**

- In this three-day retreat, you will rekindle your connections to your cohort and cultivate new connections with key leaders in New England. You’ll explore concepts in network building and pull all you’ve learned together in order to craft a project pitch.

**PAKS**

- Small group virtual meetings scheduled at your convenience for peer support and community building.

**Jam Outs**

- Optional monthly sessions for peer support, exploring ideas and connecting.

**Homework Sessions**

- Optional monthly sessions to explore monthly module content.
