

# ARTS & CULTURE STRATEGY

This course is on-demand. You can begin at any time & work at your own pace.

Take a bit of time to set up your **Coursera** profile and adjust your account settings. This will allow other students and teaching assistants to know a bit about you.

Explore the course site. Watch the introductory video, review the course materials & preview the assignments. Be sure to introduce yourself to everyone in the **Meet & Greet** discussion forum.

A small study group of friends or colleagues can help you focus & stay motivated. Find a schedule that works for you, whether a little bit each day or saving the bulk of the work for the weekends.
